- Ye can submit as many fish as ye like, in as many categories as ye like.- Only fish submitted in game via the designated mailbox, or handed to the judges on the day of the Weigh-In event, will be accepted. (No pictures)
- Ye may only win one of the listed categories, with the exception of categories X & Z (see below).
- The final winners will be announced, and prizes awarded, at the Weigh-In event. It may be possible to pick up yer prize after the event if a time can be arranged.
- In the case where one fisherman submits multiple fish that win different categories, the fisherman will be awarded victory in the category covering his/her largest fish only. If the fish are of the same weight, the judges will decide which category to award.
- The two categories X and Z will be awarded to the biggest qualifying fish submitted in the previous categories A through H.
- The weight of biggest fish submitted thus far for each categories will be listed in the table at the bottom of this post. The table will be updated once a day, in the early morning hours.
- If ye would like yer fish back after the competition, please submit

them in a bag with a  
rune to a public mailbox  
where they may be  
returned. However, we are  
encouraging people to  
donate them to the  
Fishing Record Museum,  
and this is where all  
record breaking un-claimed  
will be sent.

- Lastly, in the event of  
any controversy, the  
judge's decisions be final  
in all things.

I be looking forward to  
meeting ye all and  
weighing up some mighty  
catches on Trinsic docks.  
Fair winds and bent poles  
to ye mates!
